PROFILE

I am a Web Designer with a BCA degree from Tilak Maharashtra Vidyapeeth, Pune. After finishing school at Shree Gurukrupa Vidhya Sankul and Jeevan Vikas High School, I followed my passion for web development by joining the Red and White Multimedia Institute. There, I improved my skills in creating efficient and visually appealing websites with a focus on user experience and modern design. I'm currently learning full stack development and have recently completed the design portion, which has strengthened my skills in building user-friendly web interfaces. Offering solid foundation in design principles and keen eye for aesthetics, adaptable and eager to learn in dynamic environment. Brings solid understanding of HTML, CSS, and basic JavaScript, with practical experience in using Adobe Creative Suite to create engaging web designs. Ready to use and develop these skills In web Designer role.
